I have been involved in basketball for many years, and now primarily my interest in basketball revolves around my children who are involved at Willetton Basketball Association in various programs.

I have worked as a volunteer in High Performance Sport and Not for Profit organisations (primarily sport related) for approximately the last 15 years in a variety of roles, including, but not limited to team manager, support staff, committee and Board member.

I am passionate about participation and inclusion at all levels of sport for all genders and that involvement in sport is something that is important for life and the health of all ages - whether participating, working as a volunteer, and/or just enjoying a game.

My current roles include Company Secretary and Registrar for a Not for Profit and unfunded National Sports Organisation. I have a very good background in Sports Governance, the National Integrity Framework, Child Safety, and have the ability to work strategically but with the good of the membership at the forefront of every decision.

I have had the privilege to work with the current Willetton Basketball Association and our CEO as an Appointed Director for the last few years and I hope this association will continue.
